Andover Bank, Named Among Top 1% Most Extraordinary Banks in U.S.A

Andover, OH, September 21, 2016 - Andover Bank, was just named among the top 1 percent most extraordinary banks in the United States by The Institute for Extraordinary Banking™.

Andover Bank was recognized with the Institute's Banky® Award for their commitment to strong community banking. This recognition is given to the top 60 out of 6,000 community banks across the country.

"We are proud and honored to be a recipient of this award. External validation of our theme of "A Better Way" is always gratifying" Martin Cole, Chairman and CEO.

The Extraordinary Banking™ Awards exist to highlight the vital, yet often overlooked, role that local, community banks play in our economy.

Consumers have the Banky® Awards as their guide to discovering the very best, most extraordinary banks in their communities, and in the country.

This year, the Bankys recognized the top 1 percent, just 60 of the 6000 community banks in America. The Banky is the Mark of Excellence for Community Banks.
